The late Mr. Channakrishnappa was drawing a pay of Rs.150/- at the time of his death. Under Articles 348 and 353 (iii) of the Mysore Service Regulations, a pension not exceeding half the pay of the deceased officer is to be granted to the family of a man killed in the execution of his duty.

Kind attention is invited in this connection to page 16 of the Dewan's Address to the Representative Assembly, (Dasara Session) stating that liberal provision will be made for the maintenance of the dependents of these officers. In consideration of the very tragic circumstances of the case, ~~it is proposed to fix the~~ a pension ~~at~~ of Rs.100/- per mensem payable to the widow of the deceased for life,

I agree with Minister for F & R.

I have one suggestion to make. The people of Ireland are responsible for the helpless condition of the poor widows of the deceased Officers & it is their duty to contribute for their maintenance. So I suggest that the Land Revenue of this Village and other taxes be raised by 50% as a permanent Income during the life time of the widows to make up the amount payable as pension. On the other hand if the amount is paid from the General Coffers the will be indirectly robbing the Entire State Resources. The villagers must pay for their misdeeds. It is the only Equitable and best Example to others who may indulge in such atrocities.

These papers relate to the proposal to grant extraordinary pension to the widows of the late Mr. V.N. Channakrishnappa, Amildar, and the late Mr. Kenche Gowda, Sub Inspector of Police, who were brutally assaulted and killed by the villagers of Issur in Shikaripur Taluk, on the 28th September 1942.

The late Mr. Channakrishnappa was, in addition to being a graduate a Master of Laws of the Madras University. He entered Government service about two years ago and during this short period he was very popular and showed signs of becoming a capable officer.

The late Mr. Kenche Gowda, Sub Inspector, was a young and energeti police officer who had put in about six years of service.

I have already conveyed to the families of the deceased persons His Highness's sympathy in their sad bereavement.

The question of making suitable provision for the dependents of these two officers was considered at a meeting of Council held on the 21st October 1942 when it was resolved as under:-

> "Pension of Rs. 150/- per mensem (equivalent to the pay drawn by Mr. Channakrishnappa at the time of his death) may be sanctioned, two-thirds being paid to the widow and the remaining one-third to the parents of the deceased if dependent on the deceased. The question of pension to the dependents of the deceased Police Sub Inspector, Mr. Kenche Gowda may be dealt with on the same lines."

The resolution of the Council may be graciously approved.

The late Mr. Kenche Gowda, Police Sub Inspector, was drawing at the time of his death a pay of Rs. 60/-. In accordance with the above resolution, a pension equivalent to this amount will be paid to his dependents, two-thirds being paid to his widow, and the remaining one-third to his parents if they were dependent on the deceased.

81. The D. The recommendation of the D. 82. A pension of Rs 60/- has been sanctioned to the dependents of the deceased Sub-Inspector two-thirds being paid to his widow and remaining one-third to his parents. A pension of Rs 40/- has already been sanctioned to the widow and a sum of Rs 20/- which is now left over should go to his parents. The recommendation

of the D.G. of Police is to sanction the same sum, the amount being divided between the father and mother equally and ~~his is for order~~ pensions for their life.

83. It is also submitted for consideration whether ~~that~~, if any of them passes away, whether his or her share of pension should lapse to Govt or whether it may not be paid to the living members.

84. A debt to the extent of Rs 3000/- was incurred ~~for~~ by the father ~~to~~ ~~the~~ for the education of his son. It is also for consideration whether any cash grant need not be sanctioned to enable the father to discharge the debt, in case the purpose + extent of the debt is true. The D.G. of Police is however silent on this point.

85. Submitted for orders with reference to para 78 of the notes.

[The Report from the Rev. Comr. regarding the dependents of late Mr Channakrishnaiya is still awaited]

Inchd: It is for orders if any action is wanted for regarding the request of the father of the deceased Police Sub Inspector for a cash grant.

As regards the life pension to the parents, it is payable, according to the Council Resolution" to the parents of the deceased". It does not seem to

be necessary to split it into halves for the father and the mother.

If this is approved, the file might be sent to the Finl Secty for issue of orders.

No cash grant can be made, beyond Rs 100, the father in taking the sum for each head discharging the debt. As regards persons to the parents, I think the amount of Rs 250 may be divided between them & Rs 125 each during their lifetime only.
